Win is just round the corner, says Jeev

New Delhi, May 9, 2012, DHNS:

India's top golfer Jeev Milkha Singh said playing in less number of tournaments has improved his performance and felt a win is round the corner for him.

Jeev, who is yet to win a tournament in three years, is happy to have recovered from his back injury which once made him contemplate on quitting the sport.

"I used to play 40 weeks a year. But from this year I will be playing for 35 weeks. This has surely improved my game. I feel I am getting better and I can say a win is just round the corner," Jeev said on the sidelines of unveiling the documentary series 'Travelling with the PROS'.

"I have been hitting the ball quite well. I have worked hard on my back, which till last year had put me in two minds of whether to continue or not. I am feeling good. I have increased by driving distance by 10 yards. I am also working on my putting and chipping."

Jeev, who has taken a two-week break, will next play in BMW PGA Championship at Wentworth from May 24. "I have been playing for five weeks in a row, so I took a two week off to spend time with my family," he said.

The 40-year-old hopes to make the cut for the 2016 Olympics at Rio de Janeiro, Brazil, where golf will be introduced for the first time in Games.

"I will be 46 then. But I believe life for a golfer begins at 40. Hopefully, I will be able to make the cut. My dad (Milkha Singh) represented India in many Olympics. It will be proud moment for me and my family if I do that in 2016, it will be father and son representing India in Olympics in two different disciplines. I am looking forward to that," he said.
